An Unbridled Affair...

CAPTAIN Youth and Family Services is the principal advocate for the changing needs of youth and families in Saratoga County. Our mission is to provide services necessary to address those needs through social, educational and prevention programs which encourage personal and social development in teens and families.

We build resilient, emotionally healthy, self-sufficient families...

It's a simple idea that means so much: emotionally secure families and youth; less violence; a place to stay for runaway or homeless youth; meeting basic needs; in essence, responding to needs wherever they are: schools, the community, and the home...helping families develop the strength to meet the challenges they will face beyond today.

An Unbridled Affair

The event will include Hall of Fame trainer D. Wayne Lukas and Kate Veitch, our honorary chairpersons, welcoming guests for an evening of culinary creations by Classé Catering, entertainment by Soul Session with a special mystery guest, and Live and Silent Auctions.
